Source: Sov. Belorussia, 1 January 1952

Mention of Shop No. 2 of the Locomobile Works, Mogilev

The Works brought into production in 1951 960 new stamping presses for the manufacture of various parts. Most labor-absorbing processes were mechanized.

In 1952 production of locomobiles is to increase by 30%.

I. Kachura  
Director of Locomobile Works  
Mogilev
